#### CASHIER INSTRUCTIONS

- The certificate is a manufacturer's coupon and should be handled as such.
- The cashier scans the coupon. It will be Price Required and may require Cashier Override.
- The customer receives UP TO the stated maximum off the price of the product.
- The cashier determines the value for redemption and enters it in the box on the back of the coupon:

-Actual retail price UP TO the maximum stated on the face of the coupon. The maximum value will vary from \$10 to \$30.

-If the price is MORE than the maximum value, then enter the maximum value. The customer must pay the difference.

-If the price is LESS than the maximum value, DO NOT give cash or credit back to the customer.

#### CASH OFFICE INSTRUCTIONS

The coupon is processed through a coupon clearing house, like other coupons. Your store will receive redemption of all coupons, up to the coupon maximum value, as described above.
